An article appearing on page 5 of the January 18, 1958, Chicago edition of the "Pittsburgh Courier", a weekly newspaper, datelined at Detroit, Michigan, and entitled "Be Polite, Courteous, Respectful," reflected that ELIJAH MUHAMMAD, spiritual leader of the Moslem Movement in this country spoke in Detroit's MUHAMMAD Temple to an overflow audience. (Date of meeting not stated).

MUHAMMAD's speech was aimed entirely at recent "incidents" in the motor city between Moslems and Police. He advised his followers to "Obey those who are in authority." MUHAMMAD said "it is true that we are in a government that God himself is about to remove from the planet, but this does not mean we are not to obey those who are in authority."

Concluding, MUHAMMAD said "this does not mean that we must be fools or cowards and lick their boots. No sir. Never be the aggressor. Seek peace. But the Holy Quran itself warns us that if we are then attacked, we are permitted to fight against those who wrongly and unjustly fight against us. And ALLAH will be with us to the end."

APPENDIX

ORGANIZATIONS AND/OR PUBLICATIONS

The following organizations and/or publications which have been utilized in this report and which have not been designated by the Attorney General of the United States pursuant to Executive Order 10450, are characterized in the attached appendix pages.

FRUIT OF ISLAM (FOI)

On May 9, 1958, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

~~CONFIDENTIAL~~

NATION OF ISLAM, formerly referred to as Muslim Cult of Islam, also known as Muhammad's Temples of Islam

On May 9, 1958, a source advised that the "Nation of Islam" is an organization composed entirely of Negroes which was organized in 1930 in Detroit, Michigan. The national leader is ELIJAH MUHAMMAD, who claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America. According to MUHAMMAD, the purpose of the organization is to establish an independent black nation in the United States.

Members follow the teachings of MUHAMMAD, which are allegedly based on his interpretation of the "Koran." They are taught that there is no such thing as a Negro; that the so-called Negro race is the original race on earth and is Asiatic in origin and nature; that they are not citizens of the United States but merely slaves; that the white race, referred to as "white devils," is inferior to the Negro race but has exploited the Negroes, imposed slave names upon them, withheld from them the history of their true identity and culture, and, as a consequence, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the "Nation of Islam," including ELIJAH MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

NATION OF ISLAM, formerly referred to as Muslim Cult of Islam, also known as Muhammad's Temples of Islam

On May 9, 1958, a source advised that the "Nation of Islam" is an organization composed entirely of Negroes which was organized in 1930 in Detroit, Michigan. The national leader is ELIJAH MUHAMMAD, who claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America. According to MUHAMMAD, the purpose of the organization is to establish an independent black nation in the United States.

Members follow the teachings of MUHAMMAD, which are allegedly based on his interpretation of the "Koran." They are taught that there is no such thing as a Negro; that the so-called Negro race is the original race on earth and is Asiatic in origin and nature; that they are not citizens of the United States but merely slaves; that the white race, referred to as "white devils", is inferior to the Negro race but has exploited the Negroes, imposed slave names upon them, withheld from them the history of their true identity and culture, and, as a consequence, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the "Nation of Islam", including ELIJAH MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

ELIJAH MUHAMMAD, leader of the Nation of Islam, was the principal speaker at a NOI convention held on October 12, 1958 at John Hancock Hall, Berkeley Street, Boston, Massachusetts. The theme of his talk was "Be Yourself." MUHAMMAD condemned Christianity and the white man and said the Negro has no freedom, justice or equality under the white man.

X

CG 100-6989

MUHAMMAD closed his address with an indefinite threat to the white man if his followers were molested. He stated, "White people can kill all they want to but when they start killing my followers or myself here they will be killed. I don't care who it is. No, sir. Just don't bother my followers, white folks, and don't bother me. I say that because I know you're at fever pitch ready to do something but when you do it you will meet with something you never dreamed of meeting with. As far as I'm concerned I'm willing to give my life for this 17,000,000 if it pleases Allah. They want to kill me, as they always have a plan to do so. I say if it pleases him, I'm most certainly willing and will not run from it . . . Islam teaches the Golden Rule, to do unto others what you would have them do unto you, but that don't make we're cowards. We'll fight you all right enough in the name of Allah. We will do so. But still we are not going to be the aggressor; you'll certainly have to be the aggressor."

An article appearing in the December 20, 1958 edition of the "New Jersey Herald News," captioned "Muhammad in Two Hour Talk Warns of War" by HARRY B. WEBBER, reflects that 1,500 heard Messenger ELIJAH MUHAMMAD speak Sunday, at the Rickoray Auditorium, 81 Elizabeth Avenue. MUHAMMAD arrived by plane with Secretaries and staff from Chicago which he left Sunday morning.

The article reflects the following as among the highlights of MUHAMMAD's talk: "Don't be a permanent slave. Don't be a coward and stand in fear of losing your job. We are going to ask for something and if we don't get it we are going to take it."

"We must have some of this earth and we are going to get it."

"If I am shot down. You stand up."

An article entitled "Muhammad Stuns Crowd Despite Threat on Life" appearing on pages 2 and 4 of the December 27, 1958 edition of the "Pittsburgh Courier," reporting MUHAMMAD's attendance at the Rickoray Auditorium, Newark, New Jersey reflects that "One of the most amazing and 'frightening' features about the Moslems is their discipline, and the ease with which they are controlled and guided by their leaders. They all seem to be moved with one heart, one mind and in one body. Among Negroes in America such an accomplishment is a miracle."

This article also reflects that the overflow crowd was handled with such quiet and peaceful decorum by the Moslems, that one Newark police officer commented, "There is nothing left for us to do. The Moslems don't need us. They are the most peaceful law-abiding folks I've ever witnessed."

The Courier reflects the following outstanding leaders of Harlem were present:

Other notable guests were:

The August 9, 1958 edition of the "Pittsburgh Courier" on pages 6 and 7 of the Magazine Section, carried an article entitled "Messenger Blasts Self-Made Leaders, Interracial Marriage; Call Negro Lost Race."

The article reflects that Messenger ELIJAH MUHAMMAD flew into Pittsburgh Sunday afternoon as a guest of Muhammad's Temple 22 and spoke before a near capacity audience of over 3,000 followers and visitors in the Syria Mosque.

During his speech MUHAMMAD told the Negroes to "Inspect and know yourself." He told the audience, "You can't accept self-made leaders, those leaders whom the whites give you. You cannot accept leaders and teachers who are seeking praise and honor for themselves. What this city, this nation, and the world needs is a leader dedicated to One God, One religion, One great brotherhood." In denying the "doctrine of hate" as charged in some quarters MUHAMMAD said, "Our race, our nation is 6,000 years old. I bring you the true history from a true God. The truth I speak will offend none but the guilty. We must know the truth, speak the truth, and act upon the principles of truth to make friends. We can't hide the truth." MUHAMMAD told the audience, the so-called Negroes, the "lost people" of America, that they had had many leaders but their problems are still here. He said, "Today, I'm wrestling with the same problem and I have a solution for you. America is not your home. It is the white man's home. Don't expect to share his house when you have a house of your own to go to."

The white man has been taking care of you. He's listened to your begging, but things are getting tough for him now. He is about ready to ask you to get off his back, and when he does, what are you going to do?

An article appearing on page 10, column 3, of the December 13, 1958 New York edition of the "Pittsburgh Courier," entitled "Muhammad Threatened," reflects that "Police working in conjunction with the FBI said they are taking all precautions regarding threats made on the lives of ELIJAH MUHAMMAD, national leader of the Muslim Cult, and MALCOLM X, New York head.

Police said the threats came in a letter ordering MALCOLM X to take \$50,000 to a rendezvous in the Theresa Hotel if he wanted everything to go 'well for a while.'

The letter stated that 'murder is not new to us. We could have killed ELIJAH MUHAMMAD in Boston when he got off the plane.' Also in the letter was a threat that if Mr. MUHAMMAD appears in Newark, New Jersey on December 14, 1958 as he is scheduled, 'it will be his last time.'

ORIGINAL

The December 20, 1958 edition of the "New Jersey Herald News" in an article captioned "Messenger Defies Death Threat," datelined at Newark, reflects that Messenger ELIJAH MUHAMMAD appeared at Newark Sunday to speak despite threats of assassination if he appeared. Nothing happened to make good the threats and MUHAMMAD said he held no fear. He said, "If I'm shot down, you stand up." He asked, "What is there to be afraid of. We are greater than our enemies who enslave us."

According to the newspaper article a corps of dedicated guards protected MUHAMMAD from any possible threats. They did not seem to be armed but watched every move. Scores lined up outside the hall and MUHAMMAD walked between them when he entered and left the hall. Inside the hall the meeting was ringed by guards in red neck ties. A score of other guards were seated on the platform.

The article stated that city police were not present despite the crowd.

3. "National Guardian" Article on Islam

An article by LOUIS E. BURNHAM entitled "Our Own Islam" appears on page 8 in "The Spectator" column of the July 28, 1958 edition of the "National Guardian."

This article reflects that it might serve the people of the United States well to take a good look under their noses at one of the more exotic outgrowths of the Pan-Arab movement. "...A casual look at the Negro community reveals they are a force increasingly to be reckoned with. Manhattan Borough President Hulan Jack, Congressional aspirant Earl Brown, State Senator James S. Watson and other political figures did just that when they showed up at a recent overflow meeting of Harlem Moslems. Congressman Adam Clayton Powell Jr. sent a telegram of greeting."

According to the article a Georgian who renamed himself ELIJAH MUHAMMAD has built Temples of Islam throughout the country, won converts to Allah primarily among the youth, invested in business enterprises and is forging "... solidarity with the Moslem peoples of the Middle-East, Asia and Africa. ." Continuing the article states "it is not hard to discover the movement's appeal to Negroes. It is militant. It inveighs against the teachings and the practices of the 'cruel Christian slave-master,' the 'murderous slave-master.' It promises an impoverished people economic 'independence' and encourages them to set up small businesses. It calls for abandoning the slave-master complex in Negroes' relationship with whites. It fosters a subjective 'identification' with the 'ancient cultural splendor and the present mineral wealth of the African-Asian countries.'"

It is pointed out in this article that historically the Negroes have sought three ways to solve their problems in this land.' "One was through piecemeal reform of the way the Nation treats them, without particular regard to the way the nation as a whole is run. Another has been through alliance with working whites for radical change in the entire power structure as a prerequisite for real equality. The third-when the tide of the first two waned - has been black nationalism, the rejection of petty reform, integration and alliance with whites, the search for redemption in Africa

CG 100-6989

The "National Guardian" article states "It is an anomaly that just at the time the fight against segregation has scored some significant victories a Pan-Moslem movement should raise among Negroes rejecting integration and social equality as a devilish snare and delusion."

The revised "Guide to Subversive Organizations and Publications," dated January 2, 1957, prepared and released by the Committee on Un-American Activities, United States House of Representatives, at page 105, citing the Committee on Un-American Activities report, "Trial by Treason", the National Committee to Secure Justice for the ROSENBERGS and MORTON SOBELL, August 25, 1956, page 12," reflects that the "National Guardian" was "Established by the American Labor Party in 1947 as a 'progressive' weekly. *** Although it denies having any affiliation with the Communist Party, it has manifested itself from the beginning as a virtual official propaganda arm of Soviet Russia."

The revised "Guide to Subversive Organizations and Publications dated January 2, 1957, at page 11, citing a "Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, page 78", reflects "'For years the Communists have put forth the greatest efforts to capture the entire American Labor Party through New York State. They succeeded in capturing the Manhattan and Brooklyn sections of the ALP but outside of New York City they have been unable to win control.'"

APPENDIX

ORGANIZATIONS AND/OR PUBLICATIONS

The following organizations and/or publications, which have been utilized in this report and which have not been designated by the Attorney General of the United States pursuant to Executive Order 10450, are characterized in the attached appendix pages.

FRUIT OF ISLAM (FOI)

On May 9, 1958, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

~~CONFIDENTIAL~~

MUSLIM GIRLS TRAINING

On September 20, 1942, during a search incidental to lawful arrest of ELIJAH MUHAMMAD for violation of the Selective Service Act, a pamphlet entitled "Lost-Found Moslem Lesson No. 1" was obtained. The Moslem Girls Training (MGT) and the General Civilization Class (GCC) are described in this pamphlet as the names given to the "training of women and girls in North America how to keep house, how to rear their children, how to take care of their husband, sew, cook, and, in general, how to act at home and abroad. These training units were named by our prophet and leader of Islam, W. D. FARD."

On November 12, 1957, a confidential source provided information reflecting that members attending MGT classes held by Muhammad's Temple No. 2, Chicago, were then being taught and instructed to memorize the meaning of the MGT and GCC, which instruction is identical to that set forth in the above-mentioned pamphlet entitled "Lost-Found Moslem Lesson No. 1."

In September, 1958, this same source advised that to the best of his knowledge, there has been no change in the instruction being given MGT members to the meaning or purpose of the MGT and GCC.

**NATION OF ISLAM, formerly referred to as the Muslim
Cult of Islam, also known as MUHAMMAD'S TEMPLES OF
ISLAM:**

On May 9, 1958, a source advised that the "Nation of Islam" is an organization composed entirely of Negroes, which was organized in 1930 in Detroit, Michigan. The national leader is ELIJAH MUHAMMAD, who claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America. According to MUHAMMAD, the purpose of the organization is to establish an independent black nation in the United States.

Members follow the teachings of MUHAMMAD, which are allegedly based on his interpretation of the "Koran". They are taught that there is no such thing as a Negro; that the so-called Negro race is the original race on earth and is Asiatic in origin and nature; that they are not citizens of the United States but merely slaves; that the white race, referred to as "white devils", is inferior to the Negro race, but has exploited the Negroes, imposed slave names upon them, withheld from them the history of their true identity and culture, and, as a consequence, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the "Nation of Islam", including ELIJAH MUHAMMAD, have refused to register under the provisions of the Selective Service Acts, and have declared that members owe no allegiance to the United States.

WASHINGTON PARK FORUM, also known as
Washington Park Open Forum

A source advised on June 11, 1954, that the Washington Park Forum (WPF) started in the 1930's as a spontaneous group of unemployed persons interested in discussing current events. In the late 1930's, the Communist Party (CP) penetrated and took over the WPF. From 1936 to 1940, the CP penetration was so great that it secured and maintained control of the WPF at that time.

b7D

A third source advised in May, 1958, that as of May, 1958, both the CP and the Socialist Workers Party (SWP) were active in the WPF, using it as a platform to implement their programs.

This source stated that at the present time there is no clear cut control of the WPF, either by the CP or SWP.

The CP and the SWP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The following information is submitted to interested offices for information in order to aid in identifying members and contacts of the Temple of Islam (NOI) and ELIJAH MUHAMMAD in their respective divisions.

b2

It has been observed that in various articles entitled "Mr. MUHAMMAD Speaks," by ELIJAH MUHAMMAD, National Leader of the Temple of Islam (NOI) appearing in various city editions of the "Pittsburgh Courier," a weekly newspaper, readers are requested to visit temples in their respective cities or write for the address of the nearest temple to 5335 South Greenwood Avenue, Chicago 15, Illinois.

It is noted that past investigation has developed that as a step in obtaining membership in the Temple of Islam and requesting an "original name," potential members submit a copy of a handwritten letter to "W. F. MUHAMMAD," 4847 South Woodlawn Avenue, Chicago 15, Illinois.

It is requested that Washington Field contact the Passport Office, Department of State, Washington, D.C., and arrange to place a stop on ELIJAH MUHAMMAD, CLARA MUHAMMAD, his wife; WALLACE D. MUHAMMAD, his son; and RAYMOND SHARRIF, his son-in-law, in the event they make application for a passport. NY 105-7809

The first hour of this program was characterized as the "documentary" portion. This portion was almost an exact repetition of the five parts shown on the News Beat program. The Bureau has been furnished substantially verbatim accounts of these five parts.

The second hour was devoted to a panel discussion. The panel was

(1) Dr. ANNA HEDGMAN, former administrative assistant to NYC Mayor ROBERT WAGNER and former aid to Federal Security Administrator OSCAR EWING.

(2) ARNOLD FOSTER, Director of the Civil Rights Division of the Anti-Defamation League, B'nai B'rith.

(3) JACKIE ROBINSON, former Brooklyn Dodger baseball star and now a columnist for the "New York Post."

(4) ROY WILKINS, Executive Secretary of the NAACP.

(5) Rev. Dr. GARDINER TAYLOR, Minister, Concord Baptist Church, Brooklyn, NY, President of the Protestant Council of Greater NY, and member of the NYC Board of Education.

WALLACE was assisted by reporter LOUIS LOMAX who, according to WALLACE, had done the research on the "documentary."

The panel discussion was a rather rambling un-coordinated affair. The Muslims were not the center of discussion, rather it was a general discussion of Negroes in the US and in NY in particular. The discussion was of such things as the "buy black" campaign, and whether or not the mass organizations such as the NAACP were reaching enough people.

NY 105-7809

Other than mentioning Muslims teaching that all white men are evil and should be destroyed (with which all panel members stated they disagreed), there was no specific discussion as to Muslim teachings or programs.

No mention was made of the Bureau or of law enforcement in general in this discussion.

Other than the following, there was nothing in this discussion of interest to the Bureau.

ARNOLD FOSTER stated he had received information that on 7/21/59, MALCOLM X left Cairo for Mecca after spending seven or eight days in Cairo where he was the invited guest of the Egyptian Government. FOSTER stated there was an "intense cooperation between representatives of Arab nations in the United States and this Muslim movement. They have been on the platforms of Elijah in any number of instances. The heads of the Arab students in the United States have cooperated with them. In terms of money, I'm not prepared to say. In terms of personnel; in terms of appearance on their platform; in terms of encouraging what they have to say, I am prepared to say that this cooperation does exist and for which reason I suggest that the movement is even more dangerous than many of us appreciate."

LOMAX stated he received a letter today (7/22/59) from MALCOLM X which stated MALCOLM was ill and couldn't get into Mecca.

FOSTER stated he had received a report that afternoon (7/22/59) that MALCOLM had arrived in Mecca on 7/21/59.

It is noted that information re MALCOLM's trip to the Near East was set forth by NY in a letterhead memo dated 7/21/59.

NY is taking no further action concerning this program.

NATION OF ISLAM, Formerly Referred to as
Muslim Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

BACKGROUND

The August 10, 1959, issue of 'Time' magazine on page 24, under a heading, "Cases," carries a story headlined "The Black Supremacists". The story has to do with captioned individual who has numerous aliases and who is the leader of the Nation of Islam Cult. The story goes into considerable detail concerning his agitation of Negroes and gives considerable detail as to his background. The story states that Detroit Police arrested him in April, 1934 on charges of contributing to the delinquency of a minor (this statement is supported and verified by our Identification Division records which reflect that he has extensive record under FBI No. 2-759-020. This record reflects that on 4/16/34 he was arrested by the Detroit Police Department for contributing to the delinquency of a minor and was given 6-months probation).

The most pertinent part of this story as far as the Bureau is concerned states "He set up permanent headquarters in Chicago, preached against the white man's draft registration in World War II. When FBI agents tracked him to his mother's Chicago home in September 1942, they found him rolled up in a carpet under her bed. He was in federal prison at Milan, Mich. for draft dodging until 1946, later made a play for recruits among ex-convicts."

Bufiles have been checked in order to substantiate or refute the above. Files reflect that in the early 1940's we conducted considerable investigation in a case entitled "Colored American National Organization, et al" under an internal security; Seditious character. Investigation in this case included investigation concerning the Allah Temple of Islam. In a memorandum to Mr. Ladd dated September 21, 1942, J. K. Mumford advised that SAC Johnson of Chicago had called and furnished the following information which was being submitted as a press release in this case. "The FBI announced today the arrest of leaders of three organizations in the City of Chicago on charges of seditious and conspiracy to commit seditious based on warrants authorized by J. Albert Wold, USA. The apprehension of these individuals was effected by FBI Agents with the cooperation of members of the Chicago PD. . . . Leaders of the third group

Subject is on Security Index and is key figure of Chicago Office. He was born Elijah Poole in 10/97 at Sandersville, Georgia. He is a Negro. He was arrested by the Bureau in 9/42 on charges of sedition and conspiracy to commit sedition and was sentenced to the Federal Reformatory at Milan, Michigan. While in prison, he received a psychiatric diagnosis of dementia praecox, paranoid type, and his intelligence was rated as inferior with his mental age indicated as 10-11 years. He has an extensive Identification Record under FBI #2-759-020. This Record reflects that on 4/16/34 he was arrested by the Detroit Police Department for contributing to the delinquency of a minor and was given six months' probation. He is the national leader of the Nation of Islam (NOI) with headquarters in Chicago, Illinois. The NOI presently has 28 temples in principal cities throughout the United States. He associated himself with this cult in 1930 in Detroit, Michigan, and in the early 1930s moved to Chicago, Illinois. He claims he was contacted by Allah, in person, in the United States and chosen to lead the Negro out of bondage. Thereafter, he claims, Allah returned to Mecca. The NOI is a semireligious racist organization whose members regard Allah as their supreme being. Hatred of the white race, separation of the races, the destruction of America, rule by Negroes, and establishment of a separate Negro nation in America are principal preachings of the NOI.

As the great silver plane circled over the blazing sand of Saudia Arabia, it was viewed by a lowly camel driver and his son, Karim. "Tell me, Papa Abdul, what is that great bird hovering there in the sky?" "Son, that is no bird; it's an airplane bringing Elijah Poole -- oops, I mean Elijah Muhammad -- to Mecca." "Papa Abdul, how do you know such worldly things about our visitors?" "Why, son, it's no secret in Saudia Arabia who Poole is and how he's distorted the Moslem faith. He and his uninformed followers are the subject of every bull session at every camel stop on this desert." "Tell me, Pop, who is this man Poole?"

"Well, Karim, all I know about him is what I read in the latest issue of 'Camel Tracks' -- you know the magazine like the one we get from the oil company with all the pictures -- that he is a Negro American who was born in Sandersville, Georgia, some 60 odd years ago. He hasn't done a day's work since about 1930 when he started spoofing the Negroes in Detroit, Michigan, with his own butchered version of our beloved Moslem faith. We true Moslems have all been alerted to stay away from him and his kind. He teaches hate and deceit for the purpose of extracting millions from his gullible followers for his own personal glorification, whereas the true Moslem believes in love and respect for all mankind.

"You know, Karim, he has probably even spoofed his followers into believing he is making this trip in 'Ezekiel's Wheel.'" "Gosh, Pop, what's 'Ezekiel's Wheel'?" "Why, Karim, there's no such thing as this 'Wheel.' This guy Poole preaches that such a 'wheel' is in outer space and is loaded with bombs. When he gives the word, the 'wheel' will drop its bombs and destroy all Americans except his followers." "Papa, is this man crazy?" "Well, son, it's hard to say, but he will surely be crazy if he thinks he will get the red carpet treatment from any true Moslem!"
