it would be very wise for the black people in Latin America to unite with the NOI also in order that they would not be captured by the deceit of Christianity. He emphasized that the black man was the original man on earth in this regard.

The August 30, 1968, issue of MS contained an item by ELIJAH MUHAMMAD on pages 18 and 19 captioned "Slavery in Alabama and Mississippi." This item in substance stated that in the state of Alabama there are large plantations owned by the white man complete with stately white houses which retain slaves who live and work in a surrounding of shacks. He said these black people work here for a very small pay which amounted from 25¢ a day to \$2.50 a week. He added that these people grow up and die on the plantation and some of them never know civilization as they are satisfied because they know no other life but the slave life that their fathers and grandfathers have been living under. In summation, that he thanked ALLAH who has come to deliver the black man in America and to kill his oppressors. He said that in America God wants to make himself known with both the punishment and the destructions of the mighty, powerful and rich people.

The September 27, 1968, issued of MS contained an item by ELIJAH MUHAMMAD on page three, captioned "The Sure Truth;" This item in substance stated that the black man in America was suffering from the falsehoods of his enemies while the truth was being sounded in their ears. He added that the enemy is always seeking a way to oppose the truth and takes the black man to his doom as he is foolish enough to believe him. He summed up by stating that the forces of nature are things that the black man has no defense against but that he, the black man, should believe in ALLAH and follow him, ELIJAH MUHAMMAD.

The May 31, 1968, issue of MS contained an item on page three captioned "Mr. J. EDGAR HOOVER'S CHARGE" by ELIJAH MUHAMMAD. This item in substance stated that the May 18, 1968, issue of "Chicago's American" newspaper contained an item that Mr. HOOVER, the head of the Federal Bureau of Investigation, had charged militant black leaders with periling the nation's leaders. MUHAMMAD stated that Mr. HOOVER wanted to put fear into the American black man and confuse him into accepting the truth regarding his own salvation. He stated that it had been the aim of the government on many occasions to try to get the Muslims to strike back so they could have an excuse to attack the Muslims who the government hates above the other groups in America. This item was predicated upon a clipping contained on page three of MS setting forth an article in "Chicago's American" datelined Washington, wherein it was stated that FBI Director J. EDGAR HOOVER had told Congress that black nationalist groups such as the Black Muslims and others posed a threat to the nation's security.

"Chicago's American" is a Chicago, Illinois daily newspaper.

The July 5, 1968, issue of MS contained an item on pages 16 and 17 by ELIJAH MUHAMMAD captioned "MUHAMMAD's Aims for the Black People in America;" This item in substance stated that MUHAMMAD desired an initial amount of \$10,000,000 to set the ground work for a Muslim center in the Chicago, Illinois area in which all types of technology would be offered. It added that the highest educated and trained teachers in languages, mathematics, economics, as well as expert international teachers, would be obtained for such courses. It added that if necessary, the NOI would hire scholars and scientists for the Muslim university from any race which would be sympathetic to the NOI cause. MUHAMMAD said that it must be remembered that the black man has to be qualified to take care of himself with the help of God and others who are sympathetic.

The August 9, 1968, issue of MS contained an item on pages 16 and 17 by ELIJAH MUHAMMAD captioned "The Black Man's Confusion." This item in substance stated that the only way out of the confusion facing the black man in America was for the black man to separate himself from the white man and live in peace and harmony in the Nation of the Black Man. The article continued that

the nature of the righteous one. The item stated that the Muslims are the righteous and following a religion which would also apply to the righteous and according to the nature of time the righteous are created. This item emphasized that the Muslims are the righteous and must not be the first one to anger. It stated that the white race is by nature a mischief-making people who love fighting. It added that if members of Islam started attacking or being aggressive, it would be against the law of the righteous.

problem that the wise people of the world do not want to notice. It emphasizes that equality of the previously enslaved black man of America is the salvation for the present and future. It added that the black man cannot hope for any peace in this world unless the black man unites and that ALLAH may help provide him with a better world, better conditions and a better peace.

The April 5, 1968, issue of MS contained an item on page 17 captioned, "The Way to Peace - Part 2", by ELIJAH MUHAMMAD. This item in substance stated that the peace maker by nature is the black man and not the white man. It added that the nature of the white man was to create confusion, make mischief and cause falsehood and bloodshed. It stated that there had been no history of murder of individuals until the white man was created. This item also stated that the white man cannot be destroyed in Chicago or Detroit or elsewhere as this destruction has to come from God himself and not from the black man.

The April 26, 1968, issue of MS contained an item on pages one and three by ELIJAH MUHAMMAD captioned, "Separation of the Slave and Master is Divine;". This item in substance stated that whenever black people of American birth do not desire separation it means that they do not desire to take the responsibility of doing something for themselves and become independent. This item concerned itself primarily with separation of the races and continued that opposition to separation is useless. It stated that God would force separation in America and that was the purpose for which MUHAMMAD had been sent as a messenger; namely, to separate the white man from the black man.

The April 26, 1968, issue of MS also contained an item by ELIJAH MUHAMMAD captioned, "Fight in Self Defense". This item in substance stated that there were many persons who were curious about Muslims and were anxious to know if the Muslims would fight. The item stated that the Muslims follow the instructions of ALLAH, which are very simple; namely, that it is in accord with

The items captioned, "Mister Muhammad Speaks" appearing in "The New Crusader" are not being set forth herein inasmuch as they consist of reprints of information which has previously been reported concerning MUHAMMAD.

A review of all issues of MS from March 29, 1968, through October 4, 1968, reflects generally each issue contained an item by ELIJAH MUHAMMAD. Many of these items have been repeated from previous issues. Listed below by date are items which contain pertinent information and new statements. These items are being set forth in substance. Articles in which MUHAMMAD has written nothing new or where something was previously reported have been omitted:

The March 29, 1968, issue of MS contained an item on pages one and five by MUHAMMAD captioned, "The Way to Peace;". This item in substance stated that the cause of unrest and the price of peace must be clearly understood by those seeking the prize for a world of peace. It stated that the great problem of all times for the black man in America is freedom, justice and equality. It added that this is the

The June 7, 1968, issue of MS, page 13, sets forth an ad reflecting a book "How to Eat to Live" by ELIJAH MUHAMMAD, would be offered for sale by Muhammad's Mosque No. 2, Chicago; that it would be off the press on June 25, 1968, and that it would sell for \$1.25 each.

The black man's father is the creator of the universe and he, MUHAMMAD, was now calling his children because of their lack of knowledge concerning themselves because of their extended exposure to the white man. MUHAMMAD described himself as the Messenger of ALLAH, whose mission was to bring the last message to the black man in America. He added that the black man had been lost in America for over 400 years and his purpose was to give them knowledge regarding themselves.

He referred to the white man as a caucasian devil who had been created in Europe. He said that the black man should become independent after 400 years of slavery and has to go for himself as the white man's time on earth is up. He referred to Black Power as being similar to divine wisdom which was something born in the black man. He stated that Black Power means the black people will rule the white people on earth as the white people have ruled the black people for the past 6,000 years.

He referred to the white man's politics as being corrupt and that the black man has a chance to have clean politics. He added that the only hope for the black man was for him to have his political government separate from and not based upon the political machinery of the white man. He referred several times to what he described as the white man's nature to create unrest rather than for peace.

He said that there would never be peace in the United States until the power of the white man has been broken and the white man comes to his knees before ALLAH following the War of Armageddon, a war that will pit the Muslims against the Christian West. He emphasized that Muslims are not permitted to carry arms and if they do they will be expelled from the Muslim religion as God is their champion. MUHAMMAD refused to become involved in any discussion regarding the Vietnam War or the forthcoming

FRUIT OF ISLAM

On May 2, 1968, a source advised the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all male members. Its purpose is to protect officials and property of the NOI, to assure members comply with NOI teachings, and to prepare for the approaching "War of Armageddon." Members are expected to participate in military drill and judo and karate training. The FOI is governed by a military system wherein members are controlled by general orders similar to those issued by regular military organizations.

APPENDIX

NATION OF ISLAM

A source advised on May 3, 1968, that the Nation of Islam (NOI) is an all Negro organization originating in Detroit, Michigan, in the early 1930s. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims Allah (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) Number 2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils," in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by Allah in an approaching "War of Armageddon," a war between God and the devil.

Officials and members of the NOI, including MUHAMMAD, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

NATION OF ISLAM, Formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1967, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On August 15, 1968, Elijah Muhammad appeared on the above program and it was monitored by Special Agents of the Federal Bureau of Investigation (FBI).

In response to questions asked of Muhammad by James Tilman, monitor of the program, Muhammad replied in essence as follows:

The black man's father is the creator of the universe and he, Muhammad, is now calling his children because of their lack of knowledge regarding themselves caused by their exposure to the white man. He is the messenger of Allah with the last message to the black man in America, having received the message from God in 1931 in Detroit, Michigan. He is attempting to bring his message to the black people in America who have been lost for over 400 years and his purpose is to give the black people in America knowledge regarding themselves.

He is not involved in any discussions on the Vietnam war and only comments from quotes made by God. He could not and would not predict the outcome of this war. He does not support any war position as he is a man of peace. Only lovers of wars sponsor wars. He really did not know who was fighting in Vietnam.

Muhammad Ali is being tested to determine if he is a true Muslim. This is taught in the Bible and the Koran. Muhammad Ali will have to decide his position for himself and determine whether or not he is a true Muslim.

Insofar as the pending Presidential elections are concerned only a Muslim candidate could be good for the black man. He knows of no subcandidate. He would not select a preferred candidate for President as all of the candidates are white.

The black and white races should be separated into spheres of their own and this would be a 100 percent improvement for the black man. A glorious future is in store for the black man.

The holy war, the war of Armageddon, will be fought spiritually, not physically, by the God of Islam and his angels who will use the forces of nature. It will happen soon, the very limit being within the next ten years.

Cassius Clay, commonly known in the NOI as Muhammad Ali, is a member of the NOI and is the former heavyweight boxing champion of the world.

The devil, according to Master Farad Muhammad-Allah- is the white race, which was created over 6,000 years ago by an individual called Jacob. The white caucasian devil was created in Europe. The black man must have the fundamental knowledge about himself so that he can guide himself in efforts to become independent. After 400 years of slavery, the black man should be independent. The black man has to go for himself as the white man's time on earth is up. Black Power is something that is born in the black man. It is like divine wisdom. Black Power means the black people will rule the white people on earth as the white people have ruled the black people for the past 6,000 years.

The white man's time on earth was up in 1914, but the time has been prolonged until the resurrection of the black man is complete.

The white man's politics have been corrupt. The black man has a chance to have clean politics. The only hope for the black man is for him to have his own political government, one that is not based on the political machinery of the white man. Democracy is what an honest people need in connection with a good government. The white people in government are not for the black man as the nature of the white man is to have unrest rather than peace.

The continent of Africa is upset due to the infiltration of the white man who destroys the peacefulness of all other people.

The black man has enemies among their own race, especially if they are not Muslims. In order for these black people not to be enemies, they must be Muslims. There are 600,000,000 Muslims in the world.

There will be no peace in the United States until the power of the white man has been broken and the white man comes to his knees before Allah, after the War of Armageddon, a war that will pit the Muslims against the Christian west. His followers are prepared to fight if God so instructs but God has not yet indicated this was necessary. Muslims will fight if they are attacked, but will never be the aggressor. Muslims are not permitted to carry arms and if they do so, they will be expelled from the Muslim religion. God has to be the champion.

RE: NATION OF ISLAM

It is understood some Moslems and/or representatives of the government of Saudi Arabia have offered to help Muhammad build his Educational Center to the extent possibly of financing 40 percent of the cost. There is no concrete offer so far as is known. Muhammad remains reluctant to accept money from foreign groups as he does not want to be beholden to anyone, most certainly does not want to take orders from anyone, and certainly wants no foreign groups gaining any control in his group. At present Muhammad remains adamant in this thinking despite the fact he desperately wants to purchase Sts. Constantine and Helen Greek Orthodox Church, 7351 South Stony Island Avenue, Chicago, for an Educational Center. Muhammad, at present, is most discouraged in this regard as it is understood the asking price has gone from \$4,000,000.00 to some \$5,000,000.00.

NATION OF ISLAM

A source advised on May 3, 1968, that the Nation of Islam (NOI) is an all Negro organization originating in Detroit, Michigan, in the early 1930s. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims Allah (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) Number 2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils," in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by Allah in an approaching "War of Armageddon," a war between God and the devil.

Officials and members of the NOI, including MUHAMMAD, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

The Nation of Islam (NOI) is described in the appendix section of this communication. The source utilized in that description has furnished reliable information in the past.

On December 30, 1963, a Special Agent of the Federal Bureau of Investigation monitored the television program "Black Journal" which was televised from 8:00 to 9:00 p.m. on that date over National Educational Television station WTTW-TV, channel 11, Chicago, Illinois. It was announced that the program consisted of a panel of black Americans who would review the events of 1968 as they related to the Negro community. Among those appearing on the show live were Julian Mayfield, described as co-author and star of the motion picture "Upright" and Dan Watts, editor of "Liberator" magazine.

Elijah Muhammad appeared on this program for approximately 30 to 45 seconds in a filmed interview, and in his brief remarks stated that the black man has to be separated from the white man, unify and be on his own. He added that the black man has been deprived of many things he was entitled to by white society. He indicated that the black man has to be independent of the white man.

Muhammad did not participate in the panel discussion but his remarks were confined entirely to the short filmed interview.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The following references set out information during the approximate period, 2/27/42 - 1/8/67, in connection with correspondence directed to W. D. Fard, W. F. Mohamed, E. W. Mohammed, F. W. Mohammed, W. F. Mohammed, W. F. Muhammad, W. T. Muhammad, W. F. Muhammed and W. F. Mukammad at various addresses in Chicago, Illinois utilized by the NOI including the residence of NOI leader, Elijah Mohammed. This concerned applications for membership in the MCI and/or negotiations for assignment of "X" names. Although this correspondence was cleared through Elijah Mohammed as the national leader, it was not clear whether the names used in the salutation of the letters pertained to Elijah or indirectly to his representatives, or whether they were used as aliases of Wallace Don Ford, the alleged original "Messenger of Allah", as a means of directing the letters to Ford as a title of respect, to be handled by his intermediary, Elijah Mohammed. In a signed statement dated 9/22/42 (see 25-330971-1565 p.18), Pauline Bahar, NOI secretary in Chicago, advised that she was responsible for giving the new members the letters which they addressed to the Temple in order to obtain their original names. Bahar filed these letters awaiting the return of "W. D. Fard who is Allah". No original names had been given out since Allah left Chicago in 1934. Pending his return, those whose letters had been approved were allowed to use their first names, followed by the letter "X":

MS, June 13, 1969, page six, reflects a representative of the BPP in Chicago stated:

We hold the honorable ELIJAH MUHAMMAD and the NOI in the highest esteem, yet, we have reports that some group falsely calling themselves "Panthers", have been disrespectful of the NOI. Let it be known that these are not members of the BPP and that they do not represent us. They represent the trickery of the white man.

We subscribe to Messenger MUHAMMAD's call for a united black front. We know that the NOI does not attack black people and neither do we.

Truth of the matter is the works of the honorable ELIJAH MUHAMMAD and his newspaper is required study for our educational classes. This paper circulates vital information to millions of our people and we salute them for it. Whenever a black organization is effective we find that it is under attack by the white establishment.

You should first love to do good to yourself and kind. This is the great love and respect of self. Do not take up the practice of the slavemasters of our fathers which has affected our Nation in such a way that our people are helpless to try finding dignified unity of self.

We, the Muslims, would like to make you the brothers of your Black people, of whom you are, by nature, the brothers. We are your friends and not your enemies. Make yourselves our friends and you will not have to depend on bribes to destroy yourselves and your kind.

APPENDIX

NATION OF ISLAM

A source advised on May 3, 1968, that the Nation of Islam (NOI) is an all Negro organization originating in Detroit, Michigan, in the early 1930s. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims Allah (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) Number 2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils," in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by Allah in an approaching "War of Armageddon," a war between God and the devil.

Officials and members of the NOI, including MUHAMMAD, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

Synopsis: ELIJAH POOLE, commonly known as ELIJAH MUHAMMAD, resides 4847 South Woodlawn Avenue, Chicago, Illinois. He maintains, but rarely utilizes, residence at 2118 East Violet Drive, Phoenix, Arizona. MUHAMMAD's sole occupation is leader of the Nation of Islam (NOI) being the self-acclaimed "Messenger of Allah" and the only divinely appointed leader of the black man in America. He directs the NOI from his residence and through Muhammad's Temple (MT) Number Two, 5335 South Greenwood Avenue, Chicago, NOI headquarters. MUHAMMAD spreads his teachings through "Muhammad Speaks" newspaper, taped speeches on radio, rare personal appearances. MUHAMMAD's teachings emphasize the white man is the devil and open enemy of the black man, predict ALLAH will ultimately destroy the devil through the forces of nature, call for the black man to separate from the devil and form their own nation and economy. The white man, United States government and christianity are synonymous to MUHAMMAD. In 1968 and 1969, MUHAMMAD included in his teachings such statements as: Throughout the country let us take over where we are dominant in towns and cities and have black officers in control of

For the first time in the history of the Muslims, the followers of Messenger MUHAMMAD have come out in the public to show what they have.

The parade will take place on Sunday, July 27, 1969, between the hour of 2:00 pm and 3:00 pm. The parade will begin at the Salaam Restaurant at 83rd Street and South Cottage Grove Avenue, Chicago, Illinois. It will proceed along South Cottage Grove Avenue to 47th Street and to South Woodlawn Avenue. The parade will end at MUHAMMAD's home at 4847 South Woodlawn Avenue as there will be newlyweds in the parade. The bride is Messenger ELIJAH MUHAMMAD's granddaughter. It is expected that between 5,000 and 10,000 Muslims alone will be in the parade. See the FOI and the MGT. There will be beautiful band music.

After the parade a feast will be held at the Salaam Restaurant and the area outside and around the Salaam Restaurant, serving between 3,000 and 5,000 free meals.

We invite everyone to see the most spectacular parade ever presented in the western hemisphere. The food, souvenirs, everything is free. Nothing will be sold except "Muhammad Speaks" newspapers.

We must remember that our vote is strong and powerful only when and where the white man can use it to get in the office over his white opponent. The black vote could be cast or not cast. The white citizens of the government are going to win and continue to rule anyway. How much good have the two parties (Republican and Democratic) done for us for the last century in the way of freedom, justice and equality? There are black politicians who would like to use their black people for selfish greed and will throw them behind any crook for money. This election is one of the most serious in the history of American government because either party that seeks office of presidency is faced with the problem of saving the lives of the people of America. The black man should be very serious and careful about his voting next Tuesday, November 5, because 90% of the black votes

CG 100-6989

cast are cast by ones who do not have the knowledge of what they are casting their vote for. I still say, as I have said for many years, vote for ALLAH (GOD) to be your ruler and come follow me.

MS, November 29, 1968, page 3, reflects ELIJAH MUHAMMAD wrote:

If America wants the black man to remain with them do justice by us and do not give us a hypocritical justice. We must have separation to rebuild the falling black members of that mighty black nation. Number 1: We must love ourselves (black). Number 2: We must protect the interest of the black man and the black woman. We must, of all people of the earth, protect our black woman from being an open prey or prostitute for the races and nations of the earth.

MS, December 6, 1968, page 20, reflects ELIJAH MUHAMMAD wrote:

The black policeman is part of his black people, as I foresaid, to police them. In the past, the black police officer always has had to try to keep his position and promotion to higher office by how much he can mistreat his own people (beating and killing his black brother for the sake of the white officers for promotion). No black man can get a high place in the government of politics over his people unless he is a friend to the unjust judge. Throughout the country let us take over where we are dominant in towns and cities and have black officers in control of enforcing the law upon us.

ELIJAH MUHAMMAD appeared briefly on "Black Journal", National Educational Television Station, WTTW-TV, channel 11, Chicago, on December 30, 1968. MUHAMMAD stated the black man has to be separated from the white man, must unify and must be on his own. He added the black man has been deprived of many things to which he was entitled by white society.

The judgement of America is due to the way that she has treated the so-called Negroes (black people of America) for 400 years. The very hour in which I am writing, America is still mistreating her once slaves with the worse kind of treatment ever accorded human beings.

America practices the way of her father's treatment of the American so-called Negroes under what she calls a law of freedom, but this "freedom" is only in word - not in practice.

The slavemasters' childrens' blood, heart and way of thinking towards the once slave is the same as their fathers.

They find it so free to beat and kill the once slaves (so-called Negroes) at will that they will continue ~~the~~ practice of mistreating and murdering the slaves, day and night, because there is no law of justice for the black man of America who was the property of the fathers of America's white citizens.

America never thinks in terms of being equally punished for the wrong done to a so-called Negro.

CG 100-6989

It is useless for you and me to think hard of the white man for doing evil. It is his nature to do evil.

The present president, Mr. NIXON and his cabinet, desire to cool the war fever, according to his speeches. President NIXON has said a lot of good things and he says that he intends to do good things.

This would help the two people (Europe and America) a lot. It would serve as a stay of execution.

President NIXON has also said that he and his cabinet intend to do much towards granting governmental help to the black man of America, to do something for self, in a more honest and constructive manner and not just in the way of socializing between the white man and the black man in an indecent manner. The white race is now trying to fascinate the black man to come into the white man's society as a full-fledged member. This is an evil way before GOD.

From the very beginning ALLAH (GOD) did not make the black man and the white race to be mixed.

I think if the present administration in Washington, D.C., will look at the situation in an honest manner and treat it in an honest and truthful way, it will go a long way towards easing the tension and the headache that the tension is producing on the horizon of the nations of the earth and of the destruction of the world.

The white man wants to keep you a subject people. The white man doesn't want you to build. He wants you to ask him to build for you. He doesn't want you to raise your own food, he wants to feed you. The time is here when you must think for yourself and build an economy for yourself. After all the hell whites have given black people in this country, MARTIN LUTHER KING said he didn't want to be a white man's brother-in-law, he wanted to be his brother. The white man can never be your brother. We have no shares in this country. You are not even citizens of America. All you can be for America is a slave.

Black economy is one of the first steps that is necessary for the black man to take; from economy in his home to farms and factories.

CG 100-6989

The white Americans have proved themselves to be our open enemies.

So, we the black people, the once slaves and now a subject people, should not try to adopt the economic ways of a people who cannot truthfully say that they practice economy among themselves.

We need territory in which to expand. We need some of this good earth here or there so that we can build a system of economy. You, Mr. Politician and Mr. Professor, are so willing to stay under the official shelter of the business and political white man, that you have very little love and mercy for tens of millions of your own people out here trying to suck blood out of a turnip.

Create in your own heart love for your own people, who are wallowing in mud and who are suffering from hunger and lack of shelter.

Come along with me, if you would love to build an economic system for our people under the name black which is adopted from me, by you, for the last few years.

MS, March 21, 1969, Page 1, reflects ELIJAH MUHAMMAD wrote:

The present world (white people) have had their time and have gone over their time, to rule. Nevertheless they still want to rule or destroy the idea of someone else ruling as shown by their preparations made for the total destruction of the human family of the earth.

The earth actually belongs to the black man. The white world, as it goes out, has not been asleep to its responsibility. They have been building up their arms and arsenal and factories for this day, in order to kill the black man. They are doing this in so many ways with drugs and the surgeon's knife in the hospitals. It is the greatest desire of the white man that he does not leave the black man in a position

CG 100-6989

to keep populating the earth under his own color. Our women are the target. They want to stop them from bearing children. Millions of our women fall for this destruction of their race.

The Black Nation is under the guidance and guardianship of our God the Great MAHDI. He is the restorer, the defender of the Black Nation. He will restore and defend us. The American black man is to be warned and he is warned of this showdown which is coming between the two worlds. He should fly to the God (Allah) of his people, who has power to save them.

Come follow me, I say. I will lead you to your God of salvation. If you stay where you are, you will suffer the consequences. It is terrible, awful, frightful, to look up and instead of seeing a blue sky, you see a sky of flame and fire. This will surely come, Allah (God) has affirmed this prophecy with me. The whole heavens will be blotted out and in its place there will be a canopy of flame. The heavens and elements that make up the atmosphere of the earth will melt with fervent heat. There will be an explosion of the total atmosphere of the earth by God himself.

MS, April 25, 1969, Page 20, reflects ELIJAH MUHAMMAD write:

Allah will use the power that is in the earth and in the sea against the world of evil. The white race thinks that they have control of the power of the earth, sea, and air.

The power that is in the water is in the hand of Allah (God) to use against whom he pleases. The earth, wind, rain, snow, and ice and earthquakes are controlled by Allah (God).

It is a fearful sight to see the display of his power with the force of nature bowing and submitting to his will. I should warn you that this is now coming into action against the Western World. There will be a destruction of fleets at sea. Even under sea crafts will be bulged up and broken into pieces by the angry sea. Those which are

CG-100-6989

capable of lying on the ocean and sea bottom will be destroyed.

So it is with America. They pay no attention to the signs of the judgment that is now taking place. How many in America and the city of Chicago disbelieve and even mock and swear at the name of Allah, who has power over the forces of nature on land, sea, and air.

Let it be remembered that Allah (God) came forth for the redemption (to deliver) the American black people from their tormentors. Whether we like it or not, he will do this.

Let America use the history of the fall and destruction of ancient Babylon and ancient Egypt, and her pharaohs. Let their histories serve as a warning.

The most grave mistake, that the black man is making today is his trying to hold on to the belief in the return of Jesus or that he lived and preached the saving of the white man's world. This is false.

The white race has never worshipped any prophet before or after Jesus as a divine man of Allah (God). It is against their very nature to do this. That is why they kill all of the prophets they are able to kill. They deceive the people against believing in the prophets of Allah (God), for they were made in their nature to be the enemy of God and his representatives.

Before the time is out, they will be forced into submission to the will of Allah (God). This will not be done for the purpose of converting the white race. Allah (God) will force them into submission to prove that he is able to make everything bow to him in submission.

Black preachers, you will waste your time in leading yourself and those who follow you to hell by holding on to Christianity.

MS, May 30, 1969, page 20, reflects ELIJAH MUHAMMAD wrote:

Many of you may think that if America ends her war in Asia that this will bring peace and prosperity to the people of America. Perhaps, someday, there may be a lull in the war, but not now.

There is still the cold war in Berlin between America and Russia and in other parts of Europe to be reconciled with. Europe will become a dreaded spot when America leaves Asia. It is true, as the prophets have predicted, that America must come out of Asia or be thrown out.

Each, America and Russia, the two most powerful war factors of the world, are seeking to maintain their rule over the nations of the earth and even to conquer outer space. This will not last long. In their travel and investigation into space ALLAH (GOD) is permitting them to peep into his great unequalled creation of power and might, the heavens and earth.

Black brother, do not look for a high salary paying job drawing a big roll of money after the war unless with the help of ALLAH (GOD), you prepare this for yourself, which I advise you to do.

The most dreadful divine judgments that have ever been witnessed by man is now coming on America. America is the divine target because she could have bettered herself in the divine eyes of ALLAH (GOD), who came in the person of Master FARD MUHAMMAD to whom praises are due forever.

MS, June 20, 1969, page 20, reflects ELIJAH MUHAMMAD wrote:

We are not surprised at the FBI's confession that they listen in on us, in what we say and do.

The Holy Quran and Bible teaches us that they snoop on the righteous. It is the Messenger of ALLAH

CG 100-6989

(GOD) that the devil wants to destroy. The devil trails and watches the righteous to see if he can get something on them.

The evil intention of the devil is to rob the poor of righteous leadership and the devil seeks an excuse to do this. This is the nature of the white man (devil). We can not destroy the nature of a person unless we make him all over again.

MS, July 4, 1969, page 20, reflects ELIJAH MUHAMMAD wrote:

The white man is Mr. YAKUB's idea. . . his made man whom he would teach to rule the black man. He taught this made man (white race) the method by which a peaceful (black man) could be over-come and ruled until one greater than Mr. YAKUB come to our rescue (ALLAH, GOD, who came in the person of Master FARD MUHAMMAD, to whom all praises are due forever.) The white man does rule the black man with steel. He destroys him with this metal, steel.

If you study the history of the white man and his building of his civilization and his idea of defense in making war, you will find that it is in the making of instruments and the preparation of weapons made of steel.

He has blast furnaces to smelt iron ore into steel. Europe and America have, in the past, been the greatest iron and steel manufacturers on the earth. They have a greater set up for steel production than all other nations combined.

Europe and its brother, America, have the same idea. Europe has been and is an aggressive and warring people ever since she had civilization. Europe had over there between themselves the 30 year war and the 100 year war, so history teaches us. So the white man is acting as it is prophesied of him. He is not a peaceable people. He is other than peaceful.

CG 100-6989

We have been attacked several times by white America. They even imprison us and some of us they have killed. But ALLAH (GOD) retaliates against them. That is why we are not concerned. The retaliation of ALLAH (GOD) is bound to come upon them as in Georgia last week they shot to death one of my followers, one of my "least ones." But ALLAH (GOD) killed ten of theirs immediately as a DC-4 cargo plane crashed and exploded Monday in a crowded business district of Miami, Florida, according to report given in the "Chicago Sun Times", Tuesday, June 24, 1969.

The Indians here in America were conquered by the white man with steel. The Indians had crude bows and arrows. They had tomahawks made with flint rocks tied on a stick for a handle.

The white man did not use such things as a rough stone for his warhead. He bought powder, shot guns and rifles from England and France. He fought the Indians with steel. Suppose he had used the same type of arms that the Indians had. If he had there would not be a live white man on American soil.

MS, August 8, 1969, page three, reflects ELIJAH MUHAMMAD wrote:

America in trying to hold her place as the greatest power among the nations of the earth is one of the most troubled countries on the earth today.

The world has never before seen the top rulers of the land leaving their offices to visit nations abroad. The purpose of these visits to foreign countries is to make peace with them after her years of troubling them.

America brought all of her troubles upon herself. She alone is to be charged with being the cause of the troubled world and people today.

CG 100-6989

America loves meddling in other people's affairs.

America goes abroad and makes war against other people. Then she charges them with making war against her when she is the one who is guilty of the war making.

MS, August 29, 1969, page 20, reflects ELIJAH MUHAMMAD wrote:

The Mother Plane was made to destroy this world of evil and to show the wisdom and mighty power of the GOD who came to destroy an old world and set up a new world.

The Mother Plane, according to what has been described of it by the devil scientists is capable of not only staying up for long periods of time but it is also capable of eluding the scientists. They want to attack and destroy it but if a plane did get close enough to attempt to carry out its purpose it would be destroyed instead. The white man has learned that this is not a plane to be played with. Planes come out of the Mother Plane.

In the 1930s Canada reported in their newspaper that they saw the wheel (Mother Plane). It came down out of the sky. They admitted that it looked like a great city and that something came down from it. It appeared to be a tube but the tube-like thing went back up again.

ALLAH (GOD) who came in the person of Master FARD MUHAMMAD, whom praises are due forever, taught me that after six months to a year the Mother Plane comes into the gravity of the earth. It takes on oxygen and hydrogen in order to permit it to stay out of the earth's gravity until it needs refueling again.

There are five great powers of the nations of the earth. These five powers are black, brown, yellow, red, and white. Of the four original powers the red is not an equal power.

The plane is to drop bombs which would automatically be timed to burrow quickly to a position of one mile below the surface of the earth, where they are timed to explode.

ALLAH (GOD) taught me that these bombs are not to be dropped into water. They are to be dropped only on the cities. It will be the work of the wheel. The wheel is the power of the four creatures, namely the four colors of the black man (black, brown, yellow, and red). The red Indian is to benefit from the judgment of the world.

The people of America are approaching the doom of the country that was once known as America.

Fighting the prolonged war in Asia thousands of miles away from the American border. . . supplying hundreds of thousands and millions of men with three meals a day and continually supplying them with clothing, ammunition modern weapons of war and other war material and equipment and the transporting of men and material to foreign territory; this takes billions of dollars out of the country.

CG 100-6989

The country of America is now being Divinely Plagued and hundreds of millions of dollars are needed for reparation of damage caused by storms and other catastrophies and revolution.

The war will continue in Europe after America is out of Asia. America must come out of Asia or be thrown out with greater loss. America will be deprived of every post that she has outside of the borders of America. She will have to fight to keep her posts outside of America and after fighting she will lose the posts and the money which she used to finance her hopeless fight to hold them.

The Jews in Palestine will finally be the great losers even with the backing of her friends, because it is Divinely Appointed that the Jews must come out of Asia or be destroyed in war.

Israel has driven a million and a half (1,500,000) Arabs out of their homes and forced them to look for refuge in other places. Actually the country belongs to the Arabs and not to the Jews.

Israel was never Divinely Given any land in Asia. Europe is the home of Israel. The white race was Divinely Given 6,000 years to live in Europe. The other parts of the earth where you find the white man living, were taken by force and deceit. Only Europe was Divinely Given to the white race. They took other parts of the earth by force and by force it will be taken away from them. The white race and their authority among the people will be destroyed.

The white man is Given the Divine Freedom to trick and to take any one he can with him, to the doom of the white man. ALLAH (GOD) is not going to deprive the white man of the chance to take you and me with him through deceit and falsehood. If the white man succeeds in taking you and me to his doom with him it is to the gain of the white man; and your and my loss.

I say to you Black Brother, who have limited knowledge of today and tomorrow, you would be wise to follow me. I have the key to your salvation.

a. President NIXON

MS, November 15, 1968, features headlines, "Our Next President" and an accompanying photograph of RICHARD MILHOUSE NIXON. On page three an open letter signed ELIJAH MUHAMMAD, messenger of ALLAH, to President Elect Mr. RICHARD MILHOUSE NIXON, was set forth and is as follows:

Dear Sir:

The Nation has chosen you to be our next President for the next four year term of office. We pray that your term of office better the present conditions of the Nation as you promised during your campaign.

You, Mr. President-elect, have a very great responsibility in which we all are involved. The Black once slaves of your fathers and now free slaves of this country or people are one of the greatest problems in the country of America. We pray that we will be remembered with justice under the term of your office since we are not equal citizens as long as we are subjects to the government of America.

We pray for equal justice under the law of justice. We pray that we share equally with the citizens of America in the time of prosperity and the time of famine. We pray also that if you will justify us in doing something for ourselves in the way of seeking our necessities of life, since we have been your loyal servitude slaves and now your loyal free slaves--if we be separated, we pray that you will give us a good send off.

The following references in the main file on Malcolm K. ~~SECRET~~ Little set out information relating to the close association between Little and Elijah Muhammad from approximately November, 1954 until the death of Little on 2/21/65. Little served as Minister of the NOI Temples in Philadelphia and NYC, was the East Coast representative for Muhammad, acting as Muhammad's ambassador and contact man, and was reported to be Muhammad's most trusted follower outside of his, Muhammad's, immediate family. In October, 1960, it reportedly was believed that Little was attempting to form a nucleus of followers in the NOI in order to take over on the death of Muhammad, although he openly referred to Muhammad's son, Wallace, as Muhammad's successor. As of October, 1961, there appeared to be dissension in Temple No. 27, Los Angeles, California, due to Little apparently exceeding his authority and in early, 1963, animosity was developing between Little and the family of Elijah Muhammad. On 12/4/63, Muhammad temporarily suspended Little as Minister of NOI Mosque No. 7, NYC, for remarks he made, on 12/1/63, concerning the assassination of US President John F. Kennedy. On 3/8/64, Little announced he had broken with Muhammad and the NOI due to his continued suspension and that he would organize a politically oriented "black nationalist party". While speaking at a meeting in NYC on 2/21/65, Little was assassinated. Resulting reports that reprisals would be sought by followers of Little, included information that Muhammad would be killed. As of 2/23/65, the NYC Police Department had alerted the Chicago, Illinois and Phoenix, Arizona Police Departments, steps had been taken in behalf of Muhammad's safety, and Muhammad was aware of this danger to his life. Activities of Muhammad covered in the references below include contacts; meetings and affairs, at some of which Muhammad spoke; travel to major cities throughout the US; visits of Little to the residence of Muhammad in Chicago; libel suit against two NYC newspapers by Muslims in behalf of Muhammad and Little, resulting from reporting of February, 1961 Negro demonstrations at UN Security hearings; and characterization of Muhammad and the NOI dating back to its organization in 1930:

The July, 1963 issue of the pamphlet "Black America", Volume 1, No.3, published at Philadelphia, Pennsylvania, by the Revolutionary Action Movement (RAM) (100-442684) contained an article on page 1 entitled, "The Afro-American Liberation Movement" by Max Stanford. This article stated that the Afro-American freedom surge was being held back by the likes of Martin Luther King, who, with the exception of Elijah Mohammed, leader of the Black Muslims, was the most talked about black man since the "days of Marcus Garvey".

The Fall, 1964, issue of "Black America", published at Cleveland, Ohio, on pages 7-12, set out an article entitled "Roots of Revolutionary Nationalism" consisting of excerpts from the writings and speeches of several individuals, one of whom was Elijah Muhammad. At this meeting there was shown a film of an interview given by Elijah Muhammad. This film, made at the residence of Muhammad in Phoenix on 10/22/64, consisted of questions directed at Muhammad by the 12 law enforcement officers he had permitted to participate. It was the opinion of the Agents that this film portrayed nothing significant to the interests of the Bureau in the NOI and actually consisted of the rather meandering statements typical of Muhammad's conversations:

The following references relate to the resolving of a statement made on 7/25/64, by [REDACTED]

[REDACTED] A memo dated 7/25/64, relating to the 7/25/64 interview with [REDACTED] as prepared by WFO, included his statements and views relating to the racial demonstrations and riots that had been taking place in NYC. At one point in the interview [REDACTED] gave his opinion that the 5 African UN Delegations were financing, at least in part, the current strife. He estimated tentatively that the UAR supplied over one hundred thousand dollars per year for many years to "black nationalist" movements in the US. He cited as a basis for his belief, Elijah Muhammad's trip to the UAR and Mecca in the past and said it was his opinion that the cost of the trip for Muhammad and his large entourage was paid by the UAR. In connection with this statement, the Bureau questioned whether [REDACTED] had meant to refer to Malcolm X. Little, Black Muslim leader in NYC, inasmuch as information had been received indicating that a representative of the UAR Delegation to the UN paid travel expenses for Little from New York to Cairo, Egypt, in April, 1964. On 7/31/64, [REDACTED] resolved this matter by stating that he was referring to Muhammad and not Little and that he had referred to Muhammad's past trip to Africa (date not indicated) and not the current trip of Little:

The New York Office advised on 7/1/64, that during the past month, Malcolm X Little and the Muslim Mosque, Inc. (MMI) (100-441765) had attempted to publicize the illegitimate children of Elijah Muhammad through various news media. He had been successful in getting the story on several radio programs during interviews, but a fear of libel suits apparently had kept such publicity at a minimum. However, representatives of various news agencies had advised Malcolm they could publicize it if the women involved instituted legal action against Muhammad. In early June, 1964, Malcolm sent one of his MMI assistants to Phoenix, Arizona, and Los Angeles, California, where he obtained statements from two of the women involved, a Sister Evelyn and Sister Lucille. [REDACTED] advised that on 6/22/64, a meeting of the followers of Malcolm Little in the Muslim Mosque, Inc. (MMI) (100-441765) was held at 26 East 125th Street, NYC. Little, the main speaker, stated that he left the NOI because of what he learned from Wallace Muhammad, son of Elijah Muhammad, about Elijah. Little said he was put out of the NOI and not taken back because of what he knew concerning Elijah being the father of a number of illegitimate children. Little said that "Elijah Muhammad is currently crazy with anger and fear and he is going to New York City on June 28, 1964, because the New York Temple of the NOI, Muhammad's Mosque #7, is not obtaining the money it used to obtain." *U*

The following references relate to articles appearing in "The New Crusader", a weekly newspaper published in Chicago, Illinois. On 5/22/62, the Chicago Office reported that since February, 1960, this paper had featured weekly articles by Elijah Muhammad, national leader of the NOI, in a column captioned "Mr. Muhammad Speaks". Also, investigation had been initiated to determine the identity of Elijah Dash Raymond whose articles, some of which were dedicated to Elijah Muhammad, had appeared in 1960 and early 1961 issues of that paper. In early May, 1962, it was determined that Elijah Dash Raymond was a pen name used by Raymond Harper of 1703 W. 14th Place, Chicago, Illinois. References set out actual or potential contacts of Muhammad, with Harper; with one John (probably John 11X Simmons, National Secretary of the NOI); with Raymond Sharrieff, Supreme Captain of the FOI; with Balm L. Leavell and Dan Burley, Editor and Publisher and Managing Editor, respectively, of the "Crusader"; and with Maurice Walker Starks, who was hired in early 1960 to act as publicity man for Muhammad, negotiated with radio stations throughout the US in efforts to buy radio time for Muhammad, and as of November, 1960, was being paid by Muhammad for services rendered in connection with the previously mentioned news articles by Muhammad.

The Philadelphia, Pennsylvania "Evening Bulletin", 2/28/61, Postscript Edition, page 29, col. 2-5, in an article by Jack V. Fox entitled, "Communism Believed to Be the Least of Many Factors Behind Riot at UN", datelined New York, Feb. 28., referred to wild demonstrations inside the UN on 2/15/61, following the disclosure that Patrice Lumumba had been slain. The article stated that "Mustafa Bashir" who led marchers after the Security Council incident, was a member of New York's Muslim Brotherhood, a small group of little importance, but his appearance led to a mistaken link with the most sinister of all Negro cults in the US - the Islam Temple of Muhammad. This latter organization was not involved at the UN. Had it been, according to the article, the trouble might have been far more serious, as these were the "Black Muslims", the fanatic followers of Elijah Mohammed (formerly Elijah Poole), with headquarters in Chicago but a large following in New York under a man calling himself Malcolm X.

"Muhammad Speaks", June 27, 1969, page 4, reflects ELIJAH MUHAMMAD, wrote the NSAAP as follows:

We can never thank Allah (God) Who came in the Person of Master FARD MUHAMMAD, to Whom Praises are due forever for the calling of this meeting, on Sunday, June 15, 1969, at the Waldorf Astoria Hotel in New York City.

According to reports reaching us, from this meeting, everyone was happy and spiritually uplifted by the presence and spirit of the people.

We even believe and know, that the spirit of unity from Allah (God) was filling the hearts of we, the long-divided brothers and sisters. This is the fulfillment of the Work of Allah (God) in the resurrection of we who

had been mentally-dead... to unite us into one brotherhood. As the Holy Quran teaches us, "He Came to unite us" and He expects from us unity and love for the brotherhood like a compact and impregnable wall.

I am so sorry that I was not present myself at such great and honored meeting. At this meeting, for the first time, Mr., Mrs., and Miss was not used. Everyone called each Brother and Sister. The use of the salutation of Brother and Sister between the Black man and woman, brings them closer to the love for each other.

I saw with my own eyes, in Asia, men and women in the general walk of life, greeting each other as they passed in the streets. It was not unusual to see them pass traffic policeman and hear them greet each other with "Salaam, Salaam-Alaikum, my Brother."

The use of this greeting of As-Salaam-Alaikum keeps the brotherhood unity warm among officers and the general public. However, this does not mean that the officer is not going to perform his duty that the law bids him to. He is not going to exercise government authority of animals, and beasts that is not relation to him against his blood and flesh. They treat each other right. It is beautiful to see unity exist. In Asia, they do not have fights and shooting at each other in the streets. They do not have this because the general public loves the police and the police loves their black Brother of the public. I hope to see America like this one day soon.

We can obey the law if we can understand the good of the law, to us and the officer of the law.

Let us pray that such meetings as this will take place throughout the country and we will have a better place to live in. It is just as easy to turn hell into heaven as it is to turn heaven into hell, as long as we remove that which is making a hell for our own and others.

We make our own hell. We do not look forward to go to one. Nor do we expect another other than we make for

ourself.

Thank Allah (God) for this great meeting and hope that it remains in the minds and hearts of our people forever.

NATION OF ISLAM

A source advised on April 20, 1969, that the Nation of Islam (NOI) is an all Negro organization originating in Detroit, Michigan, in the early 1930's. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims Allah (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) Number 2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils," in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by Allah in an approaching "War of Armageddon," a war between God and the devil.

Officials and members of the NOI, including MUHAMMAD, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

FRUIT OF ISLAM

On May 2, 1969, a source advised the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all male members. Its purpose is to protect officials and property of the NOI, to assure members comply with NOI teachings, and to prepare for the approaching "War of Armageddon." Members are expected to participate in military drill and judo and karate training. The FOI is governed by a military system wherein members are controlled by general orders similar to those issued by regular military organizations.

APPENDIX

MUSLIM GIRLS TRAINING

On April 18, 1969, a source advised the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) composed of all female members. Its purpose is to train members in homemaking, including child guidance, in accordance with NOI teachings. Members are afforded the opportunity to receive instruction in military type drill. The MGT is similar in structure to regular military organizations in that it has officers to whom members are accountable.

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life politics, and the destiny of the black community. It was organized by Bobby George Seale, BPP Chairman, and Huey P. Newton, BPP Minister of Defense. Newton is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, George Mason Murray, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes, only, financed by voluntary contributions. In this public statement, MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

2

MUSLIM MOSQUE, INCORPORATED (MMI)

This confidential source advised on May 17, 1965, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity, Incorporated (OAAU) which was also headed by MALCOLM X.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, Broadway and 166th Street, New York City.

This same confidential source advised on September 8, 1965, that the activities of the MMI following the death of MALCOLM X were limited to the teaching of classes in the Islamic Religion and a class in judo for self-protection. These classes were held regularly until the latter part of July, 1965, when they were discontinued. Since then, the MMI has held no meetings and there has been absolutely no activity by the MMI which appears to be completely "dead."

ORGANIZATION OF AFRO-AMERICAN UNITY,
INCORPORATED (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics, and social reform.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth, the organization's true name will be Organization of Afro-American Unity, Incorporated.

On April 29, 1968, a second confidential source advised that the president and head of the OAAU is ELLA COLLINS, a half-sister of the late MALCOLM X, who resides a great majority of the time in Boston, Massachusetts.

On April 28, 1968, this same source advised that the OAAU headquarters is still located at 224 West 139th Street, New York, New York. Meetings have not been held in several months and the organization appears to be breaking up and no longer functioning.
